### **Girder placement will cause traffic delays on US 41 in Winnebago County**

#### *Rolling lane closures near future Snell Road overpass*

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office at Green Bay is announcing short-term rolling lane closures on US 41 in Winnebago County for two nights.

Thursday, September 17 from 9 p.m. to 5 a.m. Friday, September 18:

- US 41 southbound lanes between County Y and US 45 interchange

Monday, September 21 from 9 p.m. to 5 a.m. Tuesday, September 22:

- US 41 northbound lanes between County Y and US 45 interchange

The closures are needed to transport and place concrete girders over US 41 for the future Snell Road overpass. This \$3.9 million project constructs a bridge over US 41 to connect Fountain Road, west of US 41, to Snell Road, east of US 41. Construction began in July 2009 and is expected to be completed by July 2010.

Motorists are reminded to use caution and remain alert when driving through this or any work zone.
